The features of what you are listening to ...

Meaning of
words

The text "Meaning of words" is centered within a rounded rectangular box.

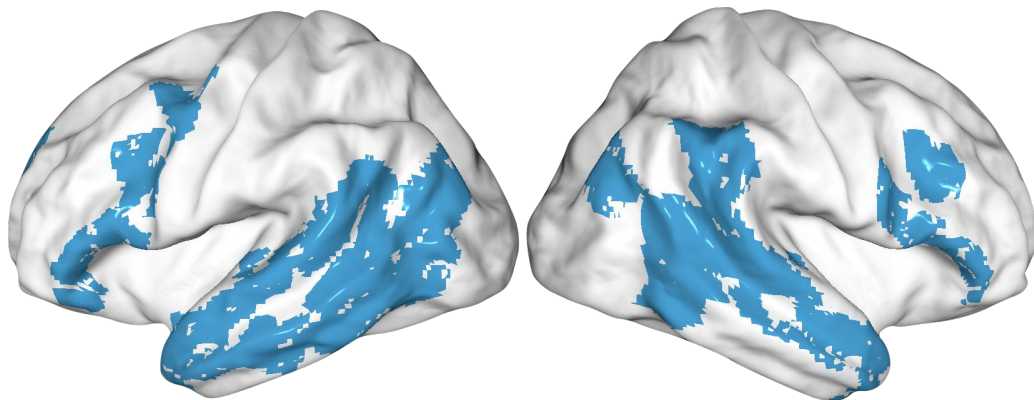

Speed of words

A play button icon with "4x" inside, indicating a 4x speed increase. The icon is contained within a rounded rectangular box.

... are affecting the activity in your brain

Many brain zones are **predicted**

However

- Different features can affect different zones
- Same feature can activate one zone and inhibit another zone
- Relevant features missing from feature-space

Our framework helps researchers infer if zones are affected:
